

# Introduction

Welcome to Cut and Paste Reading Fun: CVC Words. This unit is designed to help kids practice early reading skills. They can color the pictures on each page if they like. Then they can sound out each word on the top portion of the page, find the matching picture below, and then cut and paste the picture in the correct space.

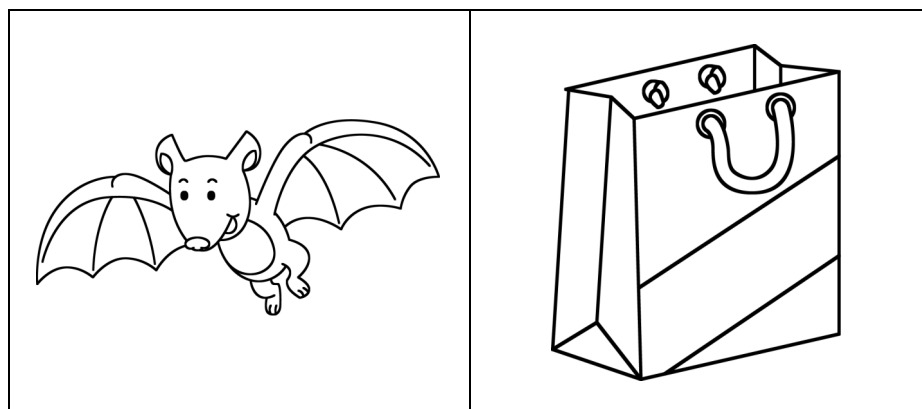

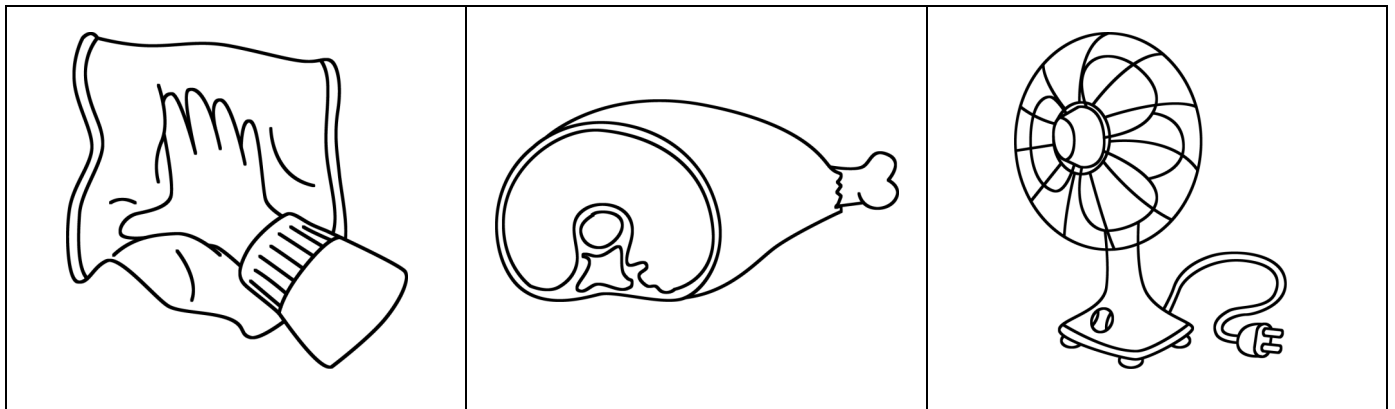

This unit includes 65 CVC words. The first six pages focus on one vowel sound per page, such as short "a." The next four pages include words that have one of two different vowel sounds, such as "o" and "a." The final three pages include words that have one of three or more vowel sounds to choose from. An answer key is also included.

This unit focuses on CVC words and includes the words below.
